Dear Mr. Werner.

This letter is in response to your June 3, 2004 inquiry regarding 511 in the State of Tennessee. As I indicated in a voicemail message for Ms. Patsy Fulton, the 511 dialing code, which the Federal Communications Commission assigned for access to traveler information services, is currently not in use in AT&T Wireless' service areas in Tennessee.

If you have any other questions or concerns related to AT&T Wireless' implementation of 511, please feel free to call me directly at 425-580-4740.

Sincerely,

Kimberly Nielsen
